1896

SEEDS

MIDDLETOWN,
Conn.

STECHER LITH. CO. ROCH. N.Y.

FRED. P. BURR & CO. Established 1879.

Mattabessett Seed Store,

MIDDLETOWN, CONN.

IF not already a customer, your address has been sent by a friend, and we mail this Catalogue, hoping to make your acquaintance through a trial of our Seeds this season. Our business has grown largely through the kind recommendations of customers who have used and who **Stick to Burr's Seeds.** Satisfied customers are the best advertisement for any seedsmen, and our efforts to gain new trade are not greater than our endeavors to please old customers. The Mattabessett Seeds are grown by most reliable and experienced growers, in localities that a long experience has shown to be best adapted for growing each variety to perfection.

What's bred in the seed will come out in the crop! Different strains of seeds may appear identical and yet be as far apart as goodness and meanness can well get. We are candid in stating that we do not cater for customers who are indifferent as to quality and only particular as to price; believing that competition for cheapness instead of goodness means total ruin in a seed business. FRED. P. BURR & Co. demand the very best in seeds, and get it. You can get the best also. We do an extensive business with skillful market gardeners and "truckers." If we can suit this most critical class of growers, our seeds are certainly safe for general planting by anybody. Every package we sell is put up by our own help under our personal supervision, and with our long experience and thorough system, the most varied order can be quickly filled.

Many planters experience serious loss in waiting days, and even weeks, for their seeds after ordering. Write "*rush*" on your order if in a hurry for seeds, and we promise quick dispatch.

Mail Orders receive the same care and diligence in filling as if the buyer were personally present.

FRED. P. BURR & CO.,

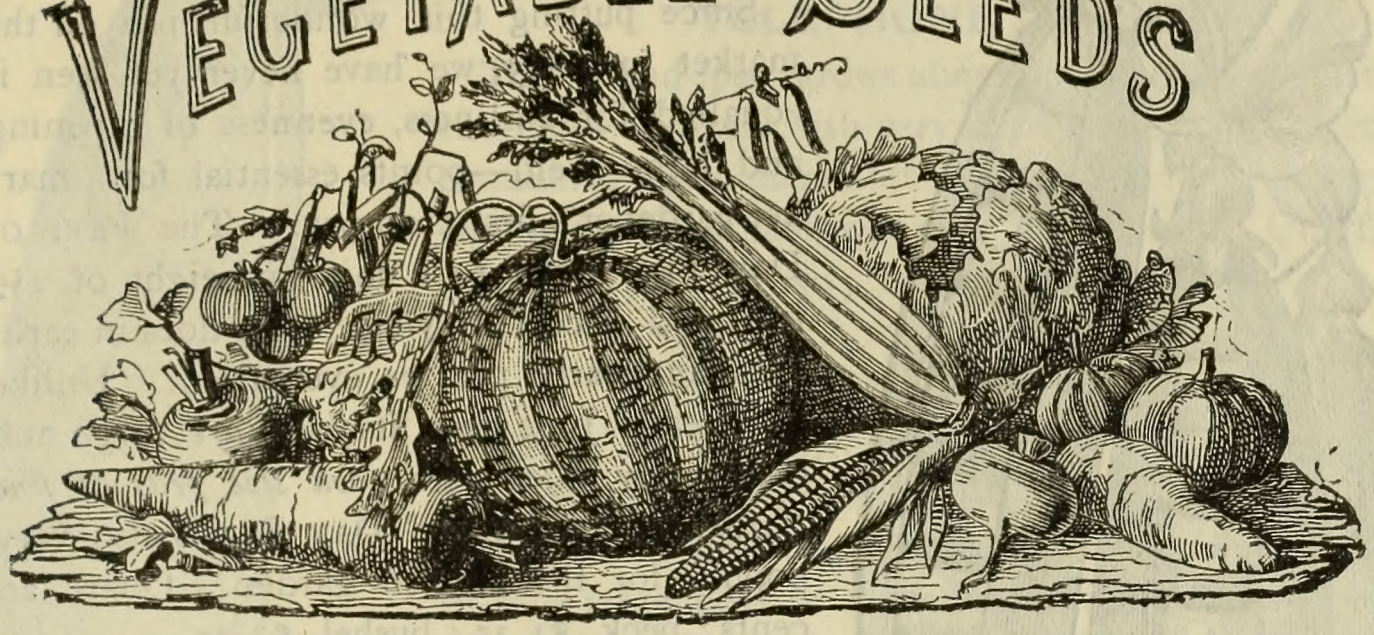
Mattakessett Seed Store,

MIDDLETOWN, CONN.

FRED. P. BURR & CO.'S

PRICE LIST.

VEGETABLE SEEDS



Flower and Field Seeds, Bulbs, Etc.

☞Please observe that prices herein quoted include postage on all Seeds by the packet, ounce and pound, except Grass Seeds, Onion Sets, Corn, Peas, and Beans, which require 15 cents per quart, 8 cents per pint extra, if sent by mail. Sweet Corn requires 10 cents per quart, and 6 cents per pint.

Twenty cents each must be added to every order, for one up to two bushels of seed, to pay for bag, and ten cents for peck and half-bushel bags.

N. B.—Not less than quarter pound or quarter bushel will be sold at the pound and bushel rates. All Seeds less than one-fourth pound, at ounce price; less than four quarts, at quart price.

To Dealers and Market Gardeners.—We can meet the prices of any reliable dealers for the same quantity of seeds. Whether you have bought or not, we cordially invite you to visit our store and inspect the largest assortment of seeds ever shown in this county. Our facilities for supplying all large trade are complete. Compare our prices, but don't stop there; try our seeds; they will prove their worth. Send for anything you need in the seed line, as we keep many varieties, which, owing to their small sales, we do not list in this Catalogue. Middletown reaches all points promptly by boat or rail.

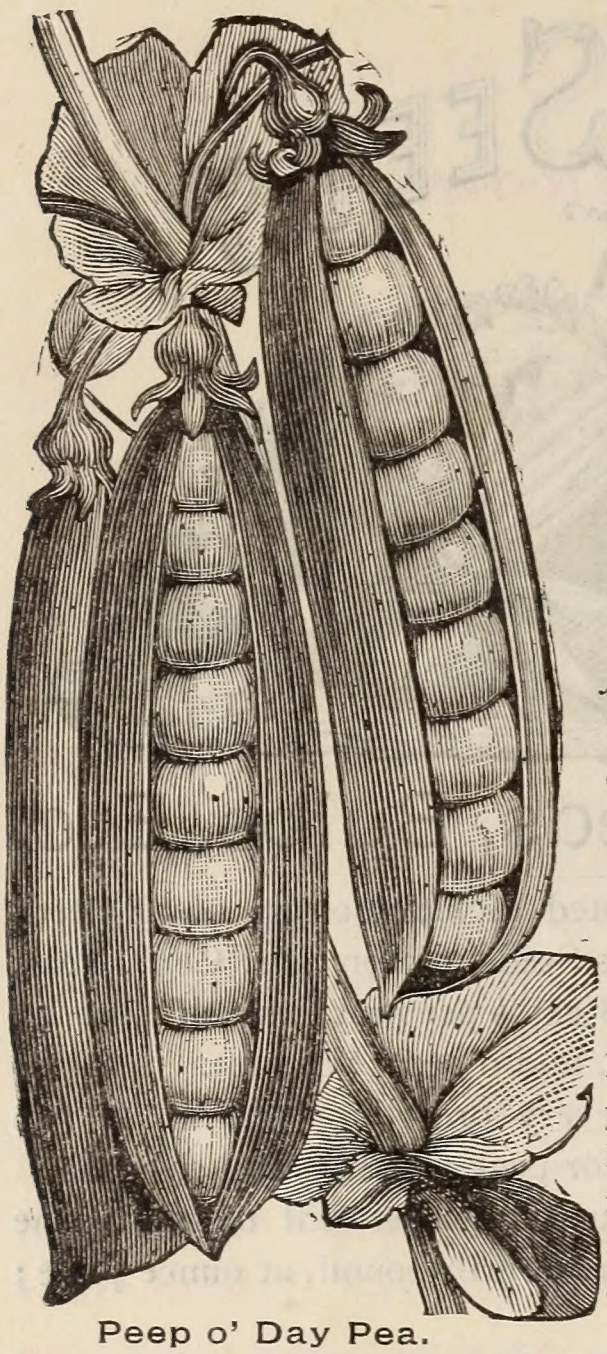
CHANGES.—Owing to the great fluctuations of the market as the season advances, we cannot be bound by these prices for any length of time, although it is our custom to make as slight variations as possible.

REMIT either by **money order, registered letter, or bank draft.** Small amounts, not exceeding one dollar, may be sent in stamps or postal notes. *Letters can now be registered for eight cents.*

NOTICE.—While we take the greatest care to have all seeds pure and reliable, we do not give any warranty, and will not be responsible for the crop in any respect. *If not accepted on these terms, the seeds must be returned at once, and money paid will be refunded.*

The Best Seeds, the Cheapest.

List of Vegetable Novelties.



Peep o' Day Pea.

Peep o' Day Pea.

Since putting this wonderful pea on the market in 1885, we have never yet seen it equalled for earliness, evenness of ripening and large yield--points essential for a market gardener's first crop pea. The PEEP O' DAY PEA grows to a uniform height of 2½ feet, and excels in yield, as it does in earliness, any early pea we ever tried. Unlike other early June peas, its *pods are large* and completely filled with *good size peas* of *fine flavor*. The PEEP O' DAY PEA is also very popular for the kitchen garden. Quart, 20 cents; peck, $1.25; bushel, $4 75.

We have in our office copies of the *Tribune*, *Penny Press* and *Herald*, the three daily papers issued in Middletown, in which mention is made of the first home-grown Peas sold in this market in the last eight years. Every year, without a miss, the PEEP O' DAY PEA has been the earliest. We have many letters from different sections of the country, while we have not room to print, speaking in highest terms of the earliness, quality and yield of the PEEP O' DAY PEAS.

MIDDLETOWN PENNY PRESS, June 6, 1890.

The first native peas brought to market this year in this town are the PEEP O' DAY, and were brought in last night by Ira J. Trench.

MIDDLETOWN PENNY PRESS, June 11, 1892.

To-day Mr. D. B. Brooks, the veteran market gardener, brought the first two loads of native green peas to this market. They were the PEEP O' DAY variety, and sold right off the cart for $2.00 a bushel.

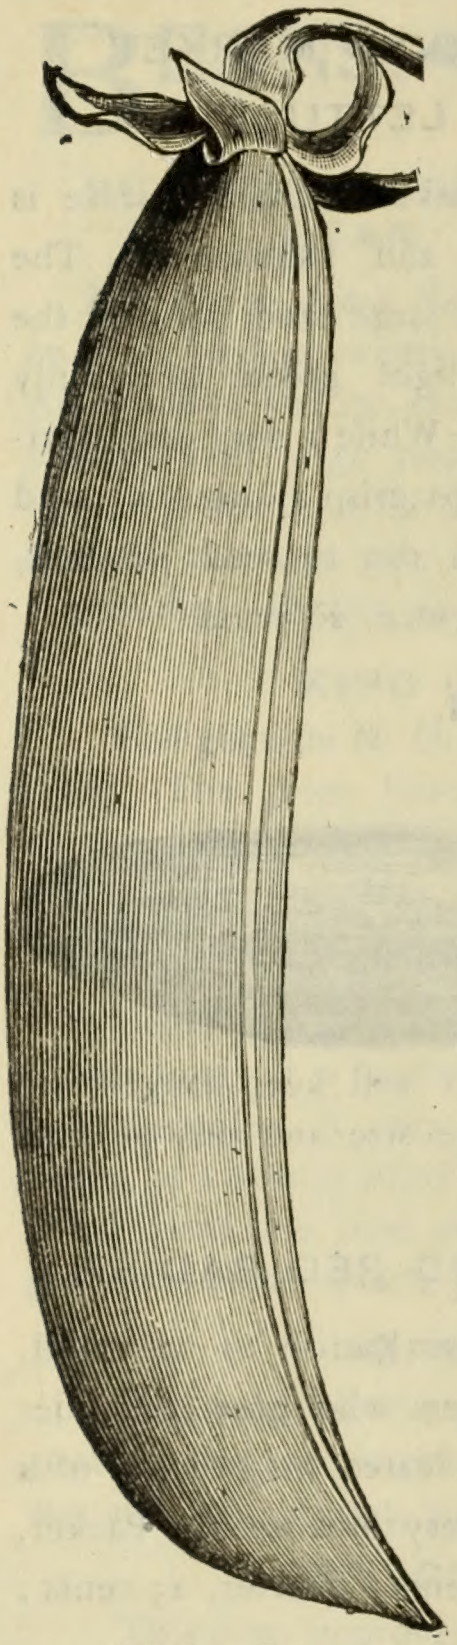
MIDDLETOWN PENNY PRESS, June 2, 1894.

The first native-grown peas brought to market here this year were picked yesterday by Assessor Daniel W. Prior. They were the famous PEEP O' DAY variety, which has taken the lead for earliness in this section for several years.

FIRST OF THE SEASON.

MIDDLETOWN PENNY PRESS, June 8, 1895.

Joseph Luttrell brought the first peas to this market June 8, from W. H. Livingston's place, Long Hill. He was followed by F. H. Jones, of Staddle Hill, and A. R. Blatchley, of South Farms. They were all PEEP O' DAY Peas. This variety has been the FIRST BROUGHT TO THIS MARKET FOR THE LAST EIGHT YEARS, as recorded by the *Penny Press*.



Telephone Pea.

PEAS

TELEPHONE PEA.

This grand pea grows about four feet high. An enormous cropper, with very stout vines, pods often containing seven mammoth peas of the finest flavor. One of the finest late peas ever introduced. Quart, 25 cents; peck, $1.50; bushel, $5.50.

HEROINE PEA.

One of the new introductions that is conspicuous for size, quality and yield. It is medium early; in height about three feet; pods very large, with eight or nine large peas of a distinctly rich and marrow-like flavor. Pint, 20 cents; quart, 30 cents; peck, $1.75; bushel, $6.25

NOTT'S EXCELSIOR PEA.

A dwarf, wrinkled pea, growing one foot high. It is so hardy that it can be planted earlier than any other wrinkled sort. It will outyield its parent, the American wonder, both in number of pods and the number of peas in a pod, and is more sugary than any pea except American Wonder. Nott's Excelsior is the earliest of all wrinkled peas, and being so dwarf, the rows can be planted very closely and a large yield obtained from a small plot of ground. This makes it especially desirable for small city gardens. Pints, 20 cents; quart, 35 cents; peck, $2.00; bushel, $6.75.

AMERICAN CHAMPION PEA.

One of the largest Pea, of the finest flavor, and very productive. Height five feet, of branching growth, and should be planted thinly. Pint, 20 cents; quart, 30 cents; peck, $1.75; bushel, $5.75.

STRATAGEM PEA (Improved.)

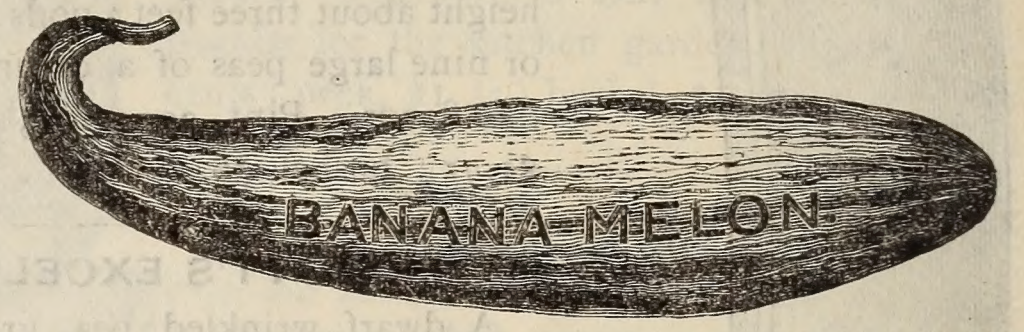
This is the most reliable strain of Stratagem Pea to be found. The seed from which our stock was grown was obtained at a high price of a grower who has carefully selected and improved the strain. Pint, 20 cents; quart, 30 cents; peck, $1.75; bushel, $6.50.

SMALL ORDERS.—If you only want a single packet, do not hesitate to send for it. We take as much pains to fill small orders as large ones.

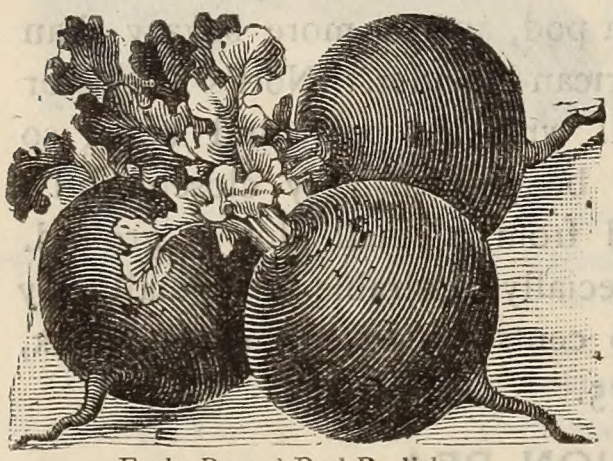
DENVER MARKET LETTUCE.

The Denver Market Lettuce is very fine and handsome. The heads are large and solid; the leaves a light green, beautifully crinkled. While a very early variety, it keeps crisp a long time, and is slow to run to seed. Packet, 5 cents; ounce, 20 cents.

BANANA MUSK MELON.



There are others, but, in our opinion, this is the best. Exceedingly rich and sweet, with an exquisite flavor and fragrance. The skin is smooth, flesh deep orange, and seed cavity small. It will keep longer than any other musk melon after being picked. Of large size and very prolific. Packet, 5 cents; ounce, 10 cents; pound, 75 cents.



Early Round Red Radish.

EARLY ROUND RED RADISH.

This is the earliest Radish to be found. One of our customers who grew it under glass all last winter, cleared his benches of a crop and replanted every three weeks. Packet, 5 cents; ounce, 10 cents; quarter, 25 cents; pound, 75 cents.

ROUND DUTCH SPINACH.

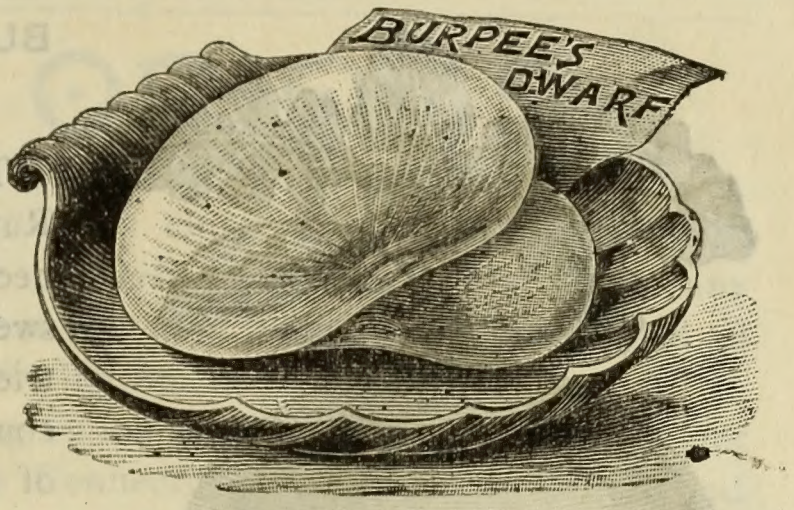
This is the most compact and "heady" Spinach we ever saw, and for the kitchen garden, as well as for market gardens, will give complete satisfaction. Packet, 5 cents; ounce, 10 cents; pound, 35 cents.

Round Dutch Spinach.

Fred. P. Burr & Co.—From the one pound of your Round Dutch Spinach that I planted last year on trial, I sold forty-five bushels of greens. It beats any Spinach I ever grew.

THOMAS SAUNDERS.

BEANS.



Burpee's Bush Lima Bean.

BURPEE'S BUSH LIMA BEAN.

True Large Lima Beans, growing on erect bushes, twenty inches high. An immense yielder, each bush being covered with large pods, filled with *very large beans*, of the same size and flavor as the large pole Lima; *wholly unlike the small bush Lima.* Our stock is genuine. Packet, 10 cents; pint, 20 cents; quart, 35 cents; peck, $2.00.

KING OF THE GARDEN LIMA BEAN.

The genuine K. O. G. is the largest, earliest and most productive Lima bean. The green beans are of unusual size. The immense pods grow in clusters, and seldom contain less than five beans. It outyields any other Lima. Pint, 20 cents; quart, 30 cents; peck, $1.75; bushel, $6.00.

GOLDEN CLUSTER WAX POLE BEAN.

Begins to bear early in July and continues till Fall. The pods eight inches long, of a beautiful yellow color, and so freely produced as to nearly hide the pole. A very few hills will supply a family with delicious string beans, at a season when low snap beans have gone by. Flavor delicious. The dried beans are pure white and very fine for Winter use. Packet, 10 cents; pint, 20 cents; quart, 30 cents; peck, $1.75; bushel, $6.00.

IMPROVED GOLDEN WAX BEAN.

This bean has the good qualities of the Golden Wax, but is much more prolific, the pods larger and handsomer, and *rust proof*, through dry as well as wet seasons. Quart, 30 cents; peck, $1.25; bushel, $4.50.

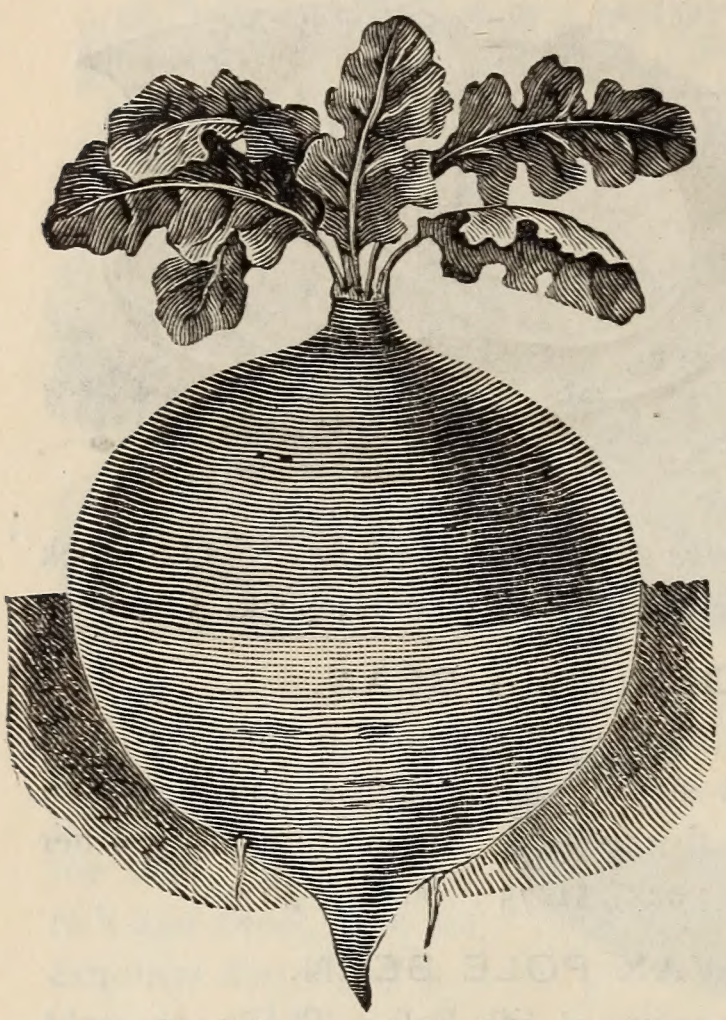
GODDARD OR BOSTON FAVORITE BEAN.

This is an improvement on the Bush Horticultural or Cranberry Bean, the beans being twice as long, and the table qualities the same, while in yield it surpasses the Cranberry Bean. It is very popular with our customers. Quart, 20 cents; peck, $1.00; bushel, $4.00.

LOW'S CHAMPION BUSH BEAN.

The handsomest of all the green podded beans, the richest in flavor and entirely stringless. Very hardy and productive. Quart, 25 cents; peck, $1.25; bushel, $4.00.

Seeds by Mail.—Sending seeds by mail is a very important branch of our business, and we are prepared to fill orders promptly and correctly *the day they are received* in nearly all cases.



Burr's Improved Swede Turnip.

BURR'S IMPROVED YELLOW SWEDE TURNIP.

This is a most perfect strain of Rutabaga Turnip. It has a small neck, flesh is bright yellow, very hard, sweet and fine grained. When once tried no other will be grown. We could fill this book with testimonials of customers who have grown Burr's Improved Swede Turnip the last few years. Ounce, 10 cents; quarter, 20 cents; pound, 60 cents.

NORTH AMHERST, MASS.

Fred. P. Burr & Co.:

I used your turnip seed last year and it was the best I ever bought anywhere. Your red cabbage seed came fine. We have tried to grow it the last four years, but never had any luck before. Find money order for $2.50 for seed order enclosed. Yours truly,

NEWTON A. SMITH.

GIANT PASCAL CELERY.

The stalks of this superb celery are about one foot tall; remarkably wide, thick and solid; crisp, brittle and absolutely stringless; blanches easily, requiring only a few days' earthing up, and keeps the longest of any celery. We were among the first to introduce this grand celery in the United States. Packet, 5 cents; ounce, 25 cents.

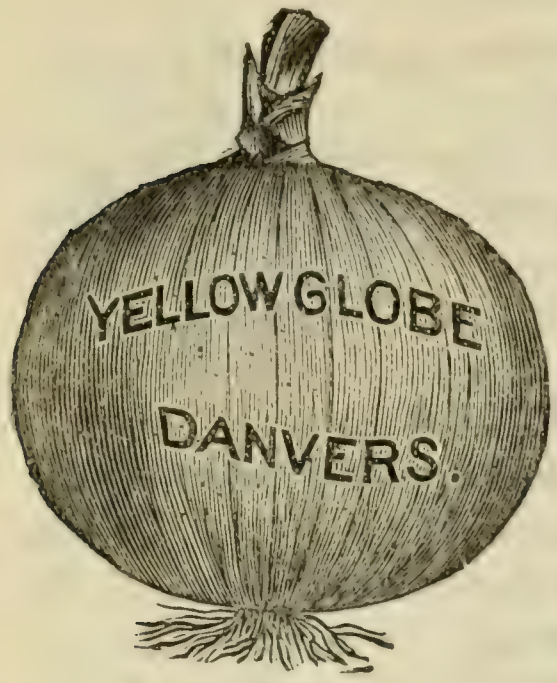
GIANT SUMMER CROOK-NECK SQUASH.

This squash is double the size of the common Summer Crook-neck, equally early, and in flavor superior. It is superseding the old variety wherever once tried, being altogether more desirable for both private and market gardens. Packet, 5 cents; ounce, 10 cents; quarter, 20 cents; pound, 60 cents.

SKILLFUL MARKET GARDENERS acknowledge the

Our Cabbage Seed is Connecticut and Long Island grown, from selected heads of perfect shape and type. It is immeasurably superior to the cheap trash grown from stumps and refuse.

Try the Mattabessett Cabbage Seed and you will always use it. Avoid cheap imported seed; it is unreliable. Note our low prices this season!



Onion.

ONIONS.

Use BURR'S Onion Seed! It never fails to suit the most critical growers. We have many customers who have bought their Onion Seed of us for the last fifteen years.

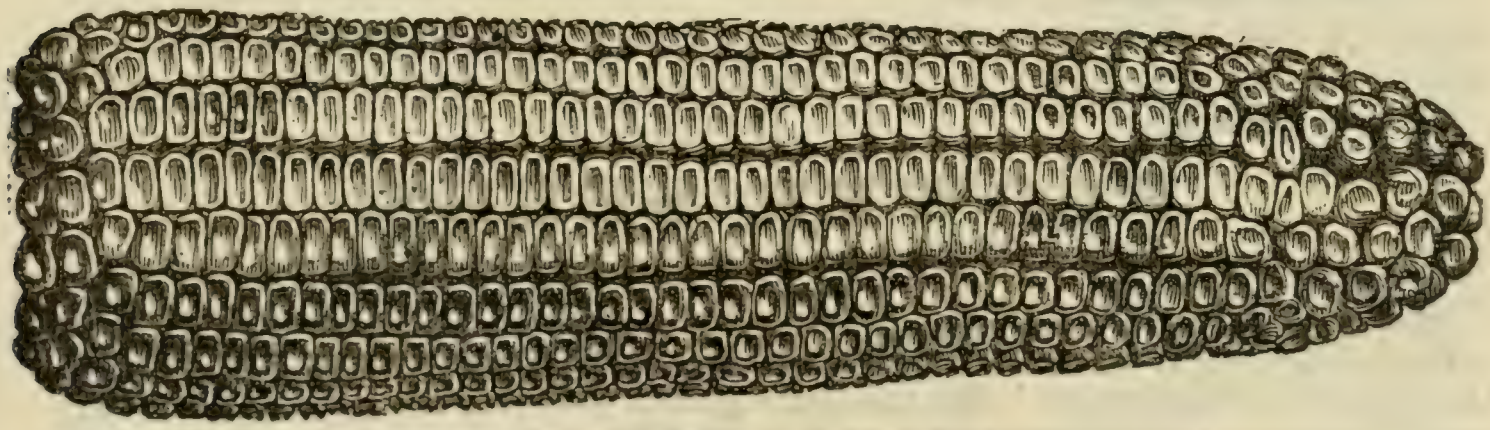
Cheap Onion Seed is dear at any price. Our Seed is Connecticut grown, plump, heavy, and of strong vitality, and we recommend it as thoroughly reliable in every respect. Old customers need no assurance as to the quality of our Onion Seed. To new customers we say:

"GIVE OUR SEED A TRIAL."

SWEET CORN.

Evergreen Sweet Corn.

Our Sweet Corn is entirely of New England growth. We shell it ourselves from selected ears, cured by Nature only, and handle no Western corn, which lacks sweetness, and no kiln dried stock of more than doubtful germination.



Improved Pride of the North Field Corn.

Fred. P. Burr & Co.:

Having heard of your Improved Pride of the North Field Corn, I planted one measured acre with it in 1895. Included in this acre were four large apple trees. I planted the corn May 14th, and finished cutting September 12th. The crop of corn measured just 147 bushels, with less than two bushels of "nubbins." The shelled corn measured 94½ bushels. The land was rather poor, and I used two bags of fertilizer broadcast. There was not a sucker in the field. It is the best corn I ever raised and the most profitable.

BENJAMIN F. ROBINSON, Meadow Brook Farm.

ASPARAGUS.

¶ The **Columbian Mammoth White Asparagus** is remarkable for its beautiful bleached white color, for its tenderness, flavor and succulence. It is of the largest size, and most prolific. Unequaled for the kitchen garden, and brings the highest price in the market.

Packet, 10 cents; ounce, 15 cents; quarter pound, 40 cents; pound, $1.50.

SEED POTATOES.

Every bushel of Seed Potatoes sold by Fred. P. Burr & Co. is grown on the new lands in Aroostook, Maine. They are true to name, and grown especially for seed from pure stock of the original strain. Our largest customers for seed potatoes are experienced growers, who every year plant the sturdy stock produced in the cold northeast. Hundreds of our customers have proved that they can get earlier and larger crops by planting northern-grown seed, than by planting the largest and most

carefully selected potatoes of their own growing. Prices quoted herein are subject to change. Send for special prices on large lots, stating sorts wanted and number of bushels.

FLOWER SEEDS.

We call the special attention of all lovers of flowers to our Flower Seeds. There is no department of our business that has more painstaking care. We obtain the seeds from the leading growers in the world; from Germany, France, England and California. For the last eighteen years we have cultivated nearly every variety of flower seeds on our list, carefully noting every detail of growth and blossom, and have made selections of such as proved the best. We assure customers that our Flower Seeds this year are unsurpassed. Orders for single packets filled as promptly as large orders. We have made a collection of the most popular and finest Flower Seeds for a complete flower garden, which we offer at $1.00; less than half regular price. This assortment we call our **Midsummer Dream Collection.** It will prove a delight to the most exacting lovers of beautiful flowers.

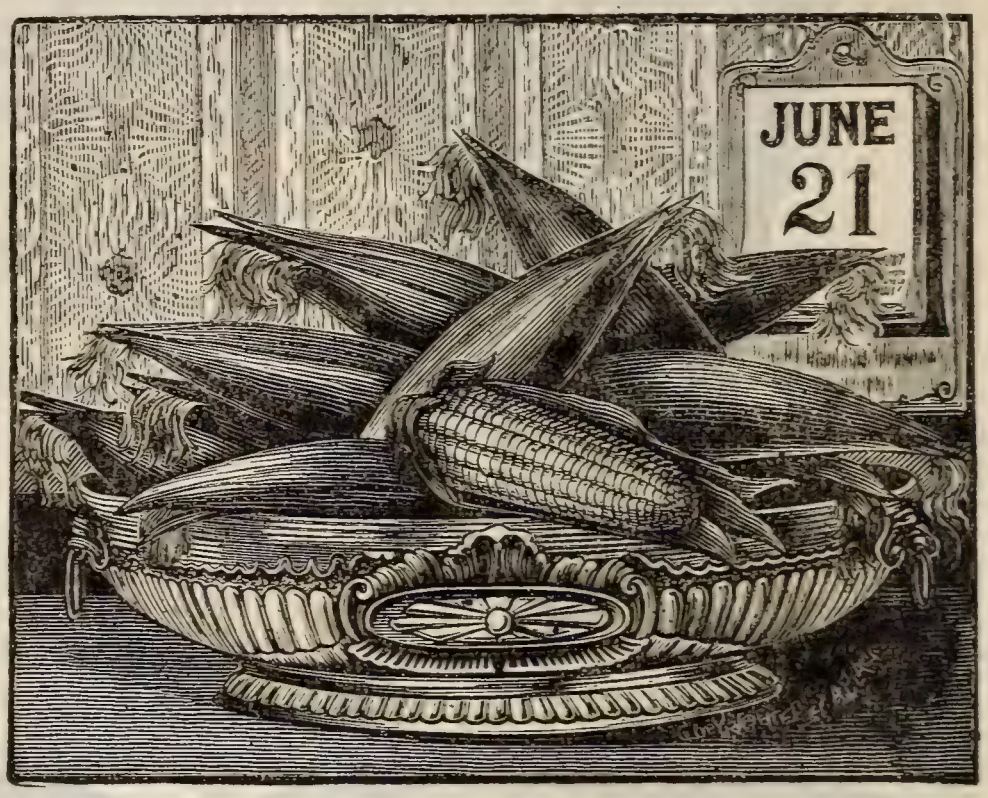
Long Orange, improved,	.10	.65

SWEET CORN.

If to go by mail, add 10c. per qt. or 6c. per pint, for postage.

We handle no Western seed which lacks sweetness, nor kiln dried corn of doubtful germinating quality. Our Sweet Corn is New England grown, cured by nature only, and for earliness, sweetness and purity, cannot be excelled. The Early Cory is the *earliest* corn, and one of the sweetest. Thorough tests have proved this.



EARLY CORY—The Earliest Sweet Corn.

	Quart.	Peck.	Bushel.

POTATO ONION SETS.

The Potato Onion should be raised in every garden. It is very early, being fully grown by June, mild flavored and sweet, pearl white when first gathered, of large size, and keeps the longest without sprouting of any Onion: highly esteemed.

Messrs. Fred. P. Burr & Co.:

DEAR SIRS—I planted twelve quarts of your Peep o' Day Peas last Spring on trial, and made the first picking on June 2d. They beat any peas ever planted, and excel in earliness, quality and yield. Respectfully yours, DANIEL W. PRIOR.

The Peep o' Day Peas bought of you last Spring, are the earliest, largest producers and finest flavored early peas I ever grew and satisfactory in every way. T. E. ARNOLD.

I grew Peep o' Day Peas last season for market. They are extremely early, good size, and very productive, excelling in these respects any extra early I ever grew. Customers like them, and ask for the Peep o' Day after they are all gone. E. A. CHAPMAN.

Burr's Seeds will Grow.

POTATOES.

For years the rugged and sturdy Maine Potatoes have been considered the best seed for this section. It is trite to enlarge upon this subject. Maine grown Seed Potatoes have won their way by their own surpassing merits.

While we have other sorts of more or less virtue for those who care to experiment, we list only the standard, mortgage-lifting varieties—**the true blue, tried and true, conquering veterans of the Potato field.**

EARLY ROSE.

We head the list with this peerless Potato. Our stock is pure, grown on the new land in Aroostook County, Maine, full of vitality, and will produce crops fully equal to those that gave prestige to the Early Rose away back in the Sixties. In considering what variety to plant, do not compare our superior seed with the old mixed and worn-out stock. Per bushel, $1.00.

EARLY NORTHER.

This superb new early Potato is of the Rose type. Customers were generally pleased with it last year. Our seed is from Caribou, Maine, where the Early Norther originated, and it is from the originator's stock. Per bushel, $1.00.

EARLY BEAUTY OF HEBRON.

A very handsome Potato and a sure cropper, with cooking qualities unexcelled. The Early Beauty of Hebron has been the most formidable rival of the Early Rose. Our stock is pure, unmixed with White Elephant. Per bushel, $1.00.

EARLY SUNRISE.

This variety is the favorite extra early Potato, with our customers. It is the very best cooking sort when dug very early. Our stock is the pure Early Sunrise, such as we have handled for the last seven years. Per bushel, $1.00.

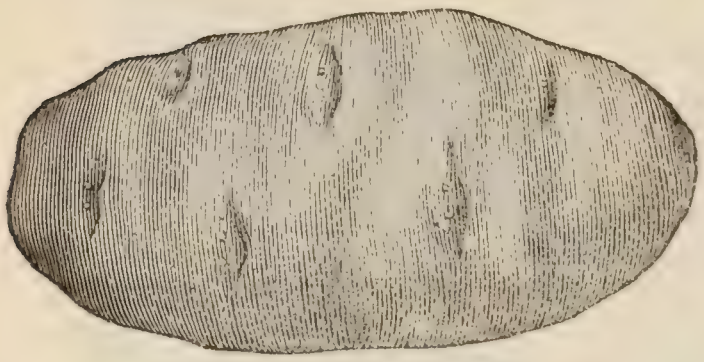
NEW QUEEN.

This variety is very popular and has proved to have all the good qualities claimed for it by its originators. Our stock is from Caribou, where it originated, and is the genuine strain. Per bushel, $1.00.

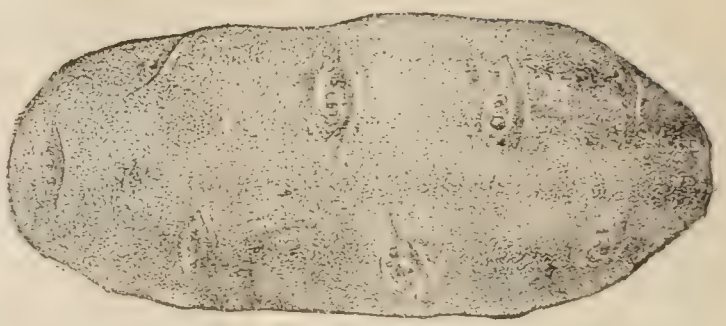
DAKOTA RED.

The Dakota Red is the heaviest cropper of all. It is the variety nearly always used in the "Potato contests" for large yields. It can be truly called rot proof and blight proof, and is the surest cropper in a wet season and on heavy, wet soil. Per bushel, $1.00.

POTATOES.



Early Rose.



New Queen.

EARLY MAINE.

Similar to Early Rose, but smoother and more uniform in shape, and reported by our customers, in many cases, to be a larger yielder. Per bushel, $1.00.

CLARK'S NO. 1.

This fine potato of the Rose class has been so well liked that we were unable to supply all who ordered of us last year. Per bushel, $1.00.

PEARL OF SAVOY.

This fine potato is similar to Early Rose, and is a few days earlier. It has not been so much sought for by our customers since the New Queen has become known. Per bushel, $1.00.

WHITE STAR.

This late, white-skinned variety is one of the largest croppers and one of the best sellers. It is highly regarded for its fine cooking qualities, thin skin, shallow eyes and handsome appearance. Per bushel, $1.00.

PRICES OF POTATOES SUBJECT TO CHANGE WITHOUT NOTICE.

Other varieties on hand. Send for quotations, and state quantity and varieties wanted. In comparing our prices on Potatoes bear in mind that quotations are for pure Maine Seed—60 pounds to the bushel—in *Middletown, Conn. No charge for bags, barrels or cartage.* You thus get the benefit of full car-lot rates from Aroostook to Middletown, Conn.

ANNUAL REPORT OF THE CONNECTICUT EXPERIMENT STATION. Page 39--Experiment with Potatoes: "* * * The potatoes were grown in two fields, the one containing two acres and a half, the other, distant about a quarter of a mile, and containing an acre and a half. The seed used in both fields was the same, part being Northern grown and part native 'seed,' consisting of three varieties. *The Northern seed proved to be far the best, producing nearly double the yield of the native seed.*"

NOTICE.—*We will pay $2.50 a bushel for the bushel of largest potatoes grown from our Maine Seed this year.* *F. P. B. & CO.*

Market Gardeners.—Send list of the Seeds you require to us to be priced. We deal most liberally with all such trade, and it will pay you to correspond with us before buying. It will cost you but a penny for a postal card, to get prices or information from us at any time, and you will get a prompt reply and right prices. FRED. P. BURR & Co.

Our Bulbs are Choice. Prices Low.

Seeds for Children.

Give the little men and women a corner of the garden and flower bed, for their own. Nothing they can do, will do more to cultivate habits of observation, and at the same time give pleasure and reward, with lessons in care and patience. A knowledge of "how plants grow" is part of a liberal education. Even the failures that may happen on the first little plot will teach a valuable lesson. We select the following easily-grown vegetables and flowers for our young friends. The seeds are the very choicest; the packets are full "men's size," and plain directions for growing printed on each. Parents, give this your attention. These seed collections are *for the children* and *at children's prices*.

Mattabessett Children's Half-Dollar Seed Collections.

God Almighty first planted a Garden. And indeed it is the Purest of Humane Pleasures. It is the Greatest Refreshment to the Spirit of Man, Without which Buildings and Palaces are but Grosse Handyworks: And man shall ever see that when Ages grow to Civility and Elegancie they come to Build Stately, sooner than to Garden Finely; as if Gardening were the Greater Perfection.—*Bacon.*

Always Glad to Correct Mistakes.

MATTABESSETT LAWN SEED.

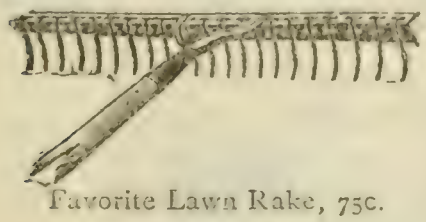
To make a nice lawn, the ground must first be made as fine as possible, some good fertilizer or sheep manure applied, then thoroughly rolled, and a selection of fine grass seed sown, of several varieties that will remain green from early Spring till Winter. Frequent cutting with a lawn mower, with an occasional rolling down and an application of fertilizer, will insure a beautiful lawn, if our Mattabessett Lawn Seed is used as directed. Always rake off after mowing. Our Mattabessett Seed is *from native grasses only*, that a careful experience of fifteen years has shown to be the best adapted to this locality. It contains no coarse grasses. A *Lawn* cannot be made from hay seed. One quart will sow about 300 square feet. For renovating old lawns use half the quantity.

	Quart.	Bushel.
Mattabassett Lawn Seed, per quart (by mail), 25 cents, -	$0.20	$5.00
Lawn Seed for shady situations, per quart (by mail), 35 cents,	.30	6.50

White Dutch Clover for lawns, per quarter, 15 cents; pound, 45 cents.

Permanent Lawn Grass, used by the U. S. Department of Agriculture. A cheaper but very suitable sort for large grounds, per peck, $1.00; bushel, $3.75.

LAWN FERTILIZER.—High Grade Ammoniated Bone, 25 lb. bag, 75c.; 50 lb. bag, $1.10; 100 lb. bag, $2.00. The cost of this Fertilizer is less than the expense of carting and applying stable manure, and it will not fill a lawn with weed seeds. It will kill the grubs and worms, eradicate moss, and quickly renovate old, worn-out lawns.



Favorite Lawn Rake, 75c.

The Favorite Lawn Rake.—Has a 24-inch steel head, with 24 steel teeth. Both head and teeth are heavily tinned, to prevent rusting, securely fastened, and cannot become loose; beyond question the best lawn rake in use. Each, 75 cents.

Best Grass Hook, 35c.

Steel Grass Hook, or Sickle.——An extra quality Sickle, having tested steel blade and hardwood handle. The only Sickle we ever saw that would hold its edge, - - - - - each, 35 cents.
A cheaper quality of Sickle, - - " 25 "

Grass Shears.—Especially adapted to trimming the borders of lawns, and cutting grass around trees where the lawn mower cannot reach. Very handy about the flower garden or small fruit orchard. Has solid cast steel cutting blades five inches long, all ready for use. Each, 45 cents.

Our Flower Seeds are Superior.

FIELD SEEDS.

Besides our large assortment of garden and flower seeds, we have a choice stock of Field Seeds of the staple varieties. We would be pleased to have you compare our prices before placing your orders this season. Prices on these seeds fluctuate, so it is impracticable for us to quote figures that will hold good through the season. We will quote prices promptly by mail.

NORTHERN SEED CORN.

	Bushel.

Field Peas, Blue Canada, -	1.50
Seed Barley, very choice. -	1.00
Buckwheat, Japanese, - -	.90
Buckwheat, Silver Hull, -	.90

ENSILAGE CORN.

Red Cob Ensilage.—A long kernel, pure white corn, with red cob. The stalks are very tender, sweet and juicy, with more foliage than any other variety. This valuable fodder corn should be grown by every dairy farmer. It will produce over thirty tons per acre. Per bushel, $1.00.

Southern White, or Horsetooth.—This variety is more extensively used than any other. It is a luxuriant grower, attaining a height of fifteen to eighteen feet. Per bushel, 90 cents.

Large Sweet Evergreen.—This makes very sweet and nutritious fodder. Cattle relish it highly and will eat every particle of stalk and leaf. Per bushel, $1.50.

PRICES OF FIELD SEEDS SUBJECT TO CHANGE—HIGHER OR LOWER WITH THE MARKET.

We Urge customers to inform us promptly on the arrival of their orders if not in good condition and exactly as ordered; also to report, after growth, the result, more especially if anything proves otherwise than was expected. We wish to **make friends of our customers,** and mail orders receive the same attention that customers do over our counters.

PORTLAND, CONN.

I planted two measured acres of your improved Pride of the North Yellow Dent Corn late last June. It was so late the neighbors said I would not get a crop; but in October I harvested 400 bushels from that two acres. It is the earliest, best quality and best yielding corn I have ever grown. In shelling it this winter, a bushel of ears, just as it comes from the corn house, shells out 22 quarts. JOSEPH S. WORTHINGTON.

HIGGANUM, CONN.

Your improved Pride of the North Corn yielded one-third more than any other sort with me last year. It makes elegant meal, and shells out more to the bushel of ears than any corn I ever grew. My yield on two and one-third acres last season was 420 bushels. I planted it late on rather poor land. It is the best corn for me to raise. RALPH THAYER.

Grass Seed.

Aliske, Alfalfa, Crimson Clover, Red Clover, White Clover, Hungarian, Kentucky Blue, Millet, Orchard, Red Top, Timothy, Fancy Cleaned Red Top and Lawn Grass; market price. We carry full stocks of the above; also can supply any of the fancy varieties, direct from the importers, at three days' notice. Send for samples of the sorts of grass seeds, stating number of bushels you want, and we will mail promptly, with lowest cash prices. We guarantee our grass seeds to be identical with samples sent. It don't pay to buy your grass seeds hap-hazard, without examining. We do not do it; neither should you. Prices of grass seed vary so much that it is impracticable to quote prices in January that will hold after the spring trade opens.

Timothy.

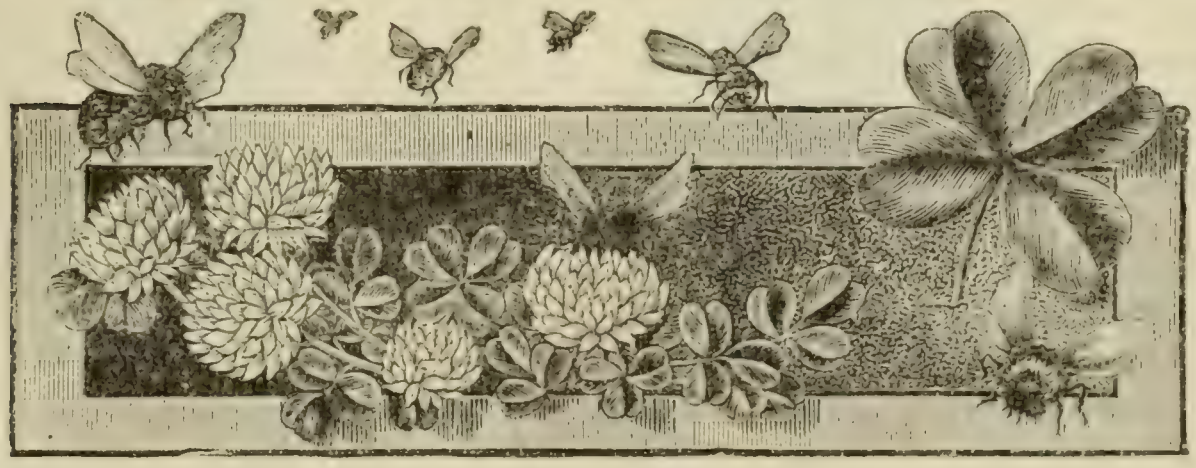
Red Clover.

CRIMSON CLOVER.

(Trifolium Incarnatum.)

Crimson Clover is an annual, usually sown in the Summer or Fall for an early Spring crop, either for pasture, forage, or green manure. It is also sown in the Spring, either alone or with oats or barley, at the rate of twelve pounds per acre. Crimson Clover catches readily and flourishes on light soil where Red Clover will not thrive.

Our seed is extra bright, clean and heavy. Per pound, 10 cents, or twelve pounds (enough for an acre), put up in cotton bag—no charge for bags—for $1.00. This price is subject to change without notice. Write and we will quote price at any time, and send sample of seed.



White Dutch Clover.

White Dutch Clover is valuable for permanent pastures, and much used for bee pasture. It is almost indispensable for lawns. Quarter pound, 10 cents; pound, 35 cents, by mail. Special prices for larger quantities.

Flower Seeds

—AND—

SUMMER FLOWERING BULBS.

The Mattabessett Flower Seeds are all new crop, imported directly from the European growers. They are not cheap, common seeds, but many—grown under glass, from specimen plants, and carefully fructified by hand—cost much more than their weight in gold. That they are the finest flower seeds produced in the world is a modest statement of their great value. Each packet is put up by ourselves, from our bulk stock, in handsome packets, with full cultural directions for the variety therein, which purchasers should follow carefully. Special prices to florists and others who buy seeds by weight. Correspondence promptly attended to.

LIBERAL PREMIUMS.

Of all seeds in packets, the purchaser may select *twenty-five cents' worth extra, for each one dollar sent us.* Thus, anyone sending us $1.00, can select seeds in packets amounting to $1.25 ; for $2.00, to the value of $2.50, and so on. This discount applies *only to seeds in packets.* Postage stamps accepted the same as cash.

General Cultural Directions.—SOWING THE SEED.—Most failures in flower culture come from improper treatment of the seeds and young plants. We urge every purchaser of our seed to carefully study the cultural directions printed on each package. In sowing fine flower seeds, the common mistake is to cover them too deeply. The great point is to sow them in freshly worked soil, not wet enough to be sticky, but fine, moist and mellow. After sowing the seed, pat the soil down firm ; nothing more will be required. All choice seeds and bulbs, to do their best, must have proper cultivation.

FERTILIZER FOR FLOWERING PLANTS.—Fine Bone Flour—a valuable fertilizer for both potted and bedded plants. Can be easily applied at any time and will quickly show its excellence. Price, per sack of 25 lbs., $1.00 ; per 100 lbs., $3.00.

Transplant Delicate Plants at Night.

ANTIRRHINUM.
Snap Dragon.

The large flowering Antirrhinum is very showy; from July till frost comes being covered with the richly colored blossoms. Our Kaleidoscope Mixture includes the new striped sorts, and is from the celebrated European collection so admired at the World's Fair. Per packet, 10 cents.

ASTER.

Our Kaleidoscope Asters are a choice mixture of Truffaut's Imperial Pæonia Flowered, of extra many colors, with an equal portion of Victoria. These represent the highest perfection in Asters. Packet, 10 cents.

BALSAM.
Double.

We offer the finest strain of perfectly double Camelia Flowered Balsam. Its flowers are well formed, of immense size, and bright colors.

All colors, including striped and spotted. Per packet, 10c.

CARNATION. Marguerite.

A beautiful, very double free blooming Carnation of the simplest culture, with a great variety of colors. It blossoms freely three months after the seed is sown. They can be taken up in the Fall and potted, and make fine Winter blooming house plants.

Packet, - - - - 10 cents.

CANTERBURY BELL.

This beautiful flower is one of the old garden favorites, that is now more popular than ever before. It is admired by all, and should be in every garden. Per packet, 10 cents.

DAHLIA.
Single.

If the value of these single Dahlias for summer blooming, and the ease with which they are grown from seed was better known, they would be in every flower garden this season. Seeds sown in the open ground in Spring will produce flowering plants in July.

Mixed, including fancy striped and blotched, per packet, 10 cents.

DAHLIA.
Double.

Double Dahlias blossom freely from seeds the first season and produce the largest and most perfect double flowers, and the greatest variety of color. Large, double, mixed, per packet, 10 cents.

Extra choice Lilliput, mixed, per packet, 10 cents.

COSMOS.

The Cosmos is a beautiful flower, fast coming into favor.

It blooms in the Autumn; its flowers—white, pink and deep rose—are very graceful. They are fine for cutting, as they improve in size and color after cutting, and remain fresh a long time.

Mixed colors per packet, 10 cents.

PANSY—Imperial.

This seed is furnished us direct, by Oscar Knopff & Co., Erfurt, and is from the flowers of their celebrated collection of named sorts. This Pansy seed is equal to any in the market, no matter what the price. We have reduced the price, as we wish to have every one try it. Per packet, 15c.

DIANTHUS—PINK.

Our Kaleidoscope mixture is an extra selection of double flowering Pinks, of the finest form and most varied colorings.

Per packet, 10c.

HOLLYHOCK.

Double.

Every one who has this old favorite desires a full assortment of colors. Our mixed seed contains twelve colors. Per packet, - - - 10 cents.

RICINUS.

Castor Oil Plant.

A handsome foliage plant, of rapid growth, with palm-like leaves, of rich and tropical appearance. It is suitable for centers of beds, for large beds on the lawn, or along driveways.

Per packet, - - - 10 cents.

Note Our Low Prices on Tuberous Bulbs.

MIMULUS.

For vase and pot plants as well as for bedding the Mimulus is a gem. Its colors are very rich and and the flowers are spotted and splashed with contrasting colors, in a most fanciful manner.

Maximus, largest flowering, per packet, 25 cents.

Many sorts, mixed, per packet, 10c.

POPPY.

Double Carnation Flowered.

Our Kaleidoscope mixture of double-fringed Poppies comprises every known color, from pure white to deepest purple and black. We do not know of any seeds for the money that will make as beautiful a showing.

Per packet, - - - 5 cents

NASTURTIUM.

Empress of India.

The Empress of India is the most symmetrical in its growth of all the dwarf Nasturtiums. It is very floriferous, and its brilliant, velvety, crimson blossoms are very effective in contrast with the dark foliage.

Per packet, - - - 5 cents.
Per ounce, - - - 20 cents.

PETUNIA.

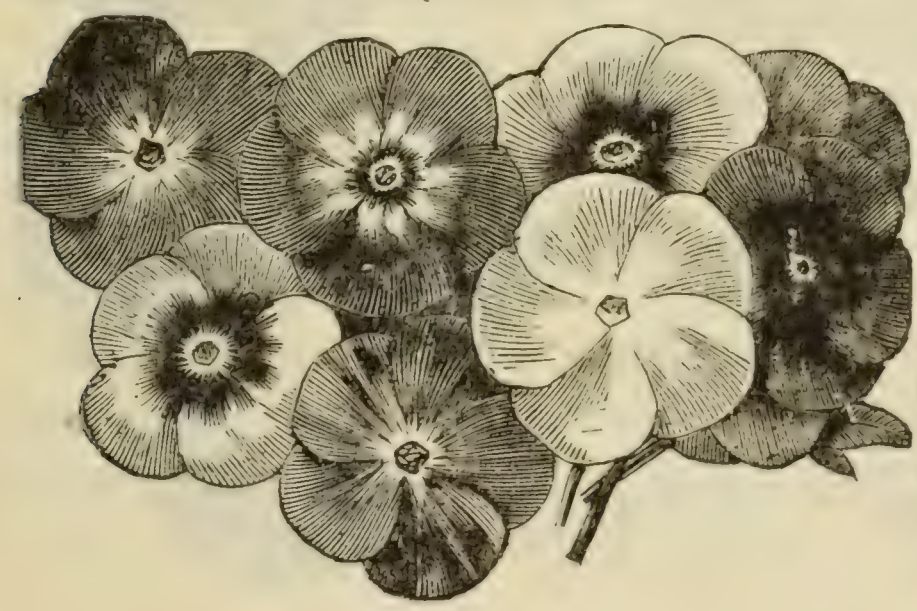
Superbissima.

Kaleidoscope mixed Petunias are of extra many colors, from the largest named sorts; fringed, veined, ringed, mottled, and with great tigered throats.

Per packet, 100 seeds, - 20 cents.

PORTULACCA—Double.

This variety is very floriferous, and the colors as varied as the single variety, while the blossoms are full double and look like small roses. About 65 per cent. of the seed will produce double flowers. Per packet, 10 cents.



PHLOX.

Grandiflora.

The beautiful Phlox is one of the favorite annuals. Our Kaleidoscope mixture of large flowering sorts has all the different colors and markings, from white to deepest black-brown; also dark colors with white eyes, and the light shades with dark eyes.

Per packet, - 10 cents.

GAILLARDIA.

Double.

Very large heads, of thirty or forty flowers, set close on the stem. A persistent bloomer, very rich and beautiful. The flowers are fine for cutting. Packet, 10 cents; single, large, packet, 5 cents.

HELICHRYSUM.

Large, Double.

This "everlasting flower" is a free and beautiful Summer bloomer, and the flowers, if picked and dried before fully open, make bright and charming Winter bouquets. Mixed, per packet, 10 cents.

CANARY-BIRD FLOWER.

A graceful, rapid-growing climber; almost covered with pretty, bright yellow blossoms, that have the appearance of tiny canary birds alighting on the vines. Per packet, 5 cents.

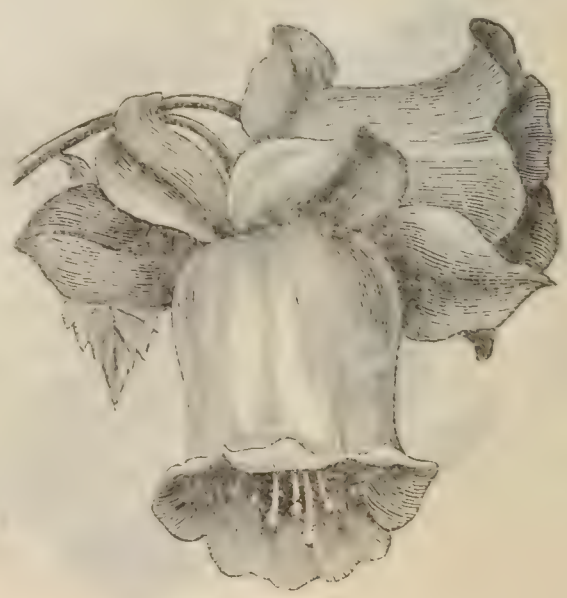
CAMPANULA.

Canterbury Bells.

Charming, bell-shaped flowers: rose, blue, white and striped. Single mixed, like cut, per packet, 5 cents.

Double mixed, one flower set close within the other, per packet, 5 cents.

Cup and Saucer, very large and striking, per packet, 10 cents.



Scabious.

SCABIOSA.

Mourning Bride.

An old garden favorite, greatly improved in size and colors. The "Sweet Scabious" is one of the popular flowers. Our seed is from flowers of rare size and doubleness. Mixed, per packet, 10 cents.

COCCINEA INDICA.

A rapid growing climber, with ivylike foliage. Its flowers are succeeded by long, bright scarlet fruit, spotted with white, that remains a long time on the vines. Packet, 10c.

Larkspur.

LARKSPUR—Hyacinth Flowered.

In this Hyacinth Flowered Larkspur we have a close copy of the Hyacinth in size, form and coloring, blooming quickly from the seed. Per packet, mixed colors, 10c.

Larspur, tri-colored. Flowers are double and very large; red, white and blue. Per packet, 10c.

Nicotiana.

NICOTIANA AFFINIS.

The sweet-scented, star-shaped flowers are very fragrant. The Nicotiana is one of the plants that are always in bloom, and one of the best Winter bloomers. If potted and taken in before frost, is no time through the Winter without blossoms. Per packet, 10 cents.

NICOTIANA COLOSSEA.

A stately and imposing tropical-appearing plant, grand for lawn beds. Its leaves are immense; at first violet, then changing to green with bright red veins. It grows six feet high from seed, in one season. Per packet, 25 cents.

Verbena.

VERBENA—Large Flowering.

The vines are more sturdy of growth and hold the bloom longer, while the blossoms are much larger, and of more intense colors than the old variety. Our seed is extra; raised from show flowers. Packet, 10 cents.

SWEET PEA.

New Dwarf Sweet Pea, "Cupid."

The new Dwarf Sweet Pea, "Cupid," is the floral novelty of the year. It grows only five inches high. Its flowers are clear waxy white, of the largest size and very fragrant. It is a very free bloomer, and continues blossoming longer in the season than other Sweet Peas. For bedding, edging and pot-growing it is unsurpassed. In packets (each containing twenty seeds), 25 cents; five packets, $1.00; in half-size packets (each containing ten seeds), 15 cents; two packets, 25 cents.

DWARF NASTURTIUM.

Midsummer Dream Assortment.

For eighteen years we have given special attention to Nasturtiums. Next to sweet peas, they have been the favorite flowers with our customers. We have imported from Europe and bought from the largest growers in the United States, and our Midsummer Dream collection, now offered for the first time, we believe to be the finest in the world. We quote the following from the grower who raised the seed for us: "When I first planted the seed of this strain of Nasturtium, I thought them very fine; but three seasons under California's sunny skies, have developed such charming combinations of colors and such large and beautiful flowers, that they are the most varied and beautiful collection ever sent out." Packet, 10 cents; ounce, 40 cents.

VERBENA.

New Mammoth.

Splendid large flowers, very stocky plants, and great bloomers; beautiful shades of pink, white and red only, (no blues). None of the flowers from which this seed came measured less than the size of a twenty-five cent piece. Packet, 20 cents.

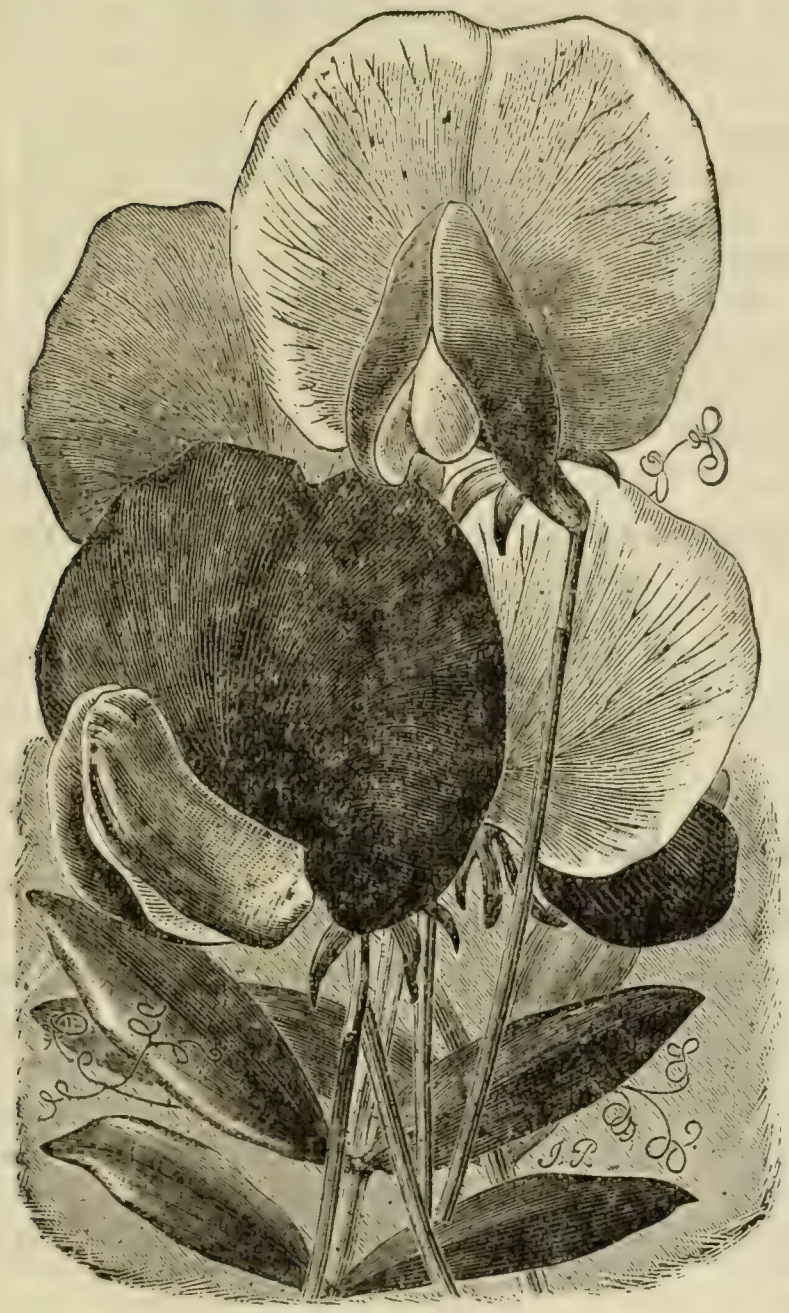
COSMOS.

New Mammoth.

Immense flowers, double the size of the common Cosmos. This mixture contains the "Erlinda," an immense snowy white, "Rosita," a beautiful large pink, and the new "Conchita," or Crimson Velvet. Packet, 15 cents; two packets, 25 cents.

One Packet each of above four novelties for 50 cents.

SWEET PEA.



This lovely flower has won its way by its own sweet beauty. It stands to-day—with many rivals, it is true—but without a peer. We have given much thought to the selection of varieties, and feel safe to say that none can be substituted that will add to the desirability of the selection. Our stock is new crop, raised by the most experienced growers in California. The cheap stuff grown by Chinese as a side crop, and offered at retail at a less price than it costs careful growers to produce their seed, is trash, pure and simple. California grown Sweet Peas are the largest and finest colored in the world, and in germinating qualities far superior to the imported seed. About a dozen varieties of Sweet Peas are all that are distinct enough for general use. Many sorts differ only in name, while others are so near alike that the best one of the type will answer for all.

Humming Bird Sweet Peas. This is our best mixture, and contains equal parts of the preceding twenty-five best-named varieties, (omitting the new dwarf "Cupid"). Packet, 5 cents; ounce, 10 cents; quarter pound, 30 cents.

Mixed Sweet Peas, good, all colors, including old varieties. Packet, 5 cents; ounce, 10 cents; quarter, 20 cents.

Flower Seed Collections.

MIDSUMMER DREAM ASSORTMENT FOR $1.00.

Every packet of Flower seeds in this collection is the very choicest, and will embellish any garden in the land. There is not a common or cheap strain in the lot. The experienced, who appreciate and value the beautiful in flowers, will be delighted with this selection. We have made the price on our Midsummer Dream Collection less than half regular rates, in order to introduce the Mattabessett Flower Seeds to those who have not yet tried them, and we cannot accept orders for half the collection. Midsummer Dream assortment, complete, by mail, $1.00.

Mattabessett Collection.

1 Ageratum; 1 Sweet Alyssum; 1 Canary Bird Vine; 1 Candytuft, mixed; 1 Clarkia; 1 China Pink, double; 1 Escholtzia; 1 Marigold, double; 1 Mignonette, sweet; 1 Morning Glory; 1 Nasturtium; 1 Nigella; 1 Poppy, double; 1 Scabious; 1 Zinnia Elegans.

The above 15 packages for 50 cents.

Humming Bird Collection.

1 Antirrhinum, extra; 1 Aster Kaleidoscope; 1 Balsam, extra; 1 Carnation, Marguerite; 1 Cosmos, New Mammoth; 1 Dahlia fancy; 1 Dianthus Imperial; 1 Larkspur, new double; 1 Pansy, Mattabessett; 1 Phlox, largest flowered; 1 Scarlet Sage; 1 Scabious, improved; 1 Stocks, large 10 weeks; 1 Verbena Mammoth.

The above 14 papers for $1.00.

Fred. P. Burr & Co.: SOUTH NORWALK, CONN.

DEAR SIRS—I beg to write you of the seeds I received last spring. I was surprised at the result, as it seemed as though I had twice the amount of flowers from your seeds. My order was small, but next time it will be larger. HATTIE J. HOYT, 28 Bay View Avenue.

FREE EXTRAS.—For years past we have sent out **with orders** to customers, **free of charge**, for trial, many packets of new and rare Flower and Vegetable Seeds, and expect to keep up this custom as long as reports from same are so satisfactory.

General List of Flower Seeds.

We ask a trial order from you this season, to test the uncommon value of our seeds. They will satisfy the most exacting, and prove a delight to all who love beautiful flowers. We take great pains to have our mixed seeds contain the greatest assortment of colors to be found in each variety. All who grow flowers appreciate it when they get a choice strain of their favorite varieties, and for this reason Burr's Flower Seeds have become very popular and sales have largely increased each season. Try something new this year. Hasn't your garden had somewhat of a "sameness" every season? Keep your old favorites, but try the new. Improvement is the order of the day in flowers.

The letter after variety, denotes: D, double.—S, single.—M, mixed.

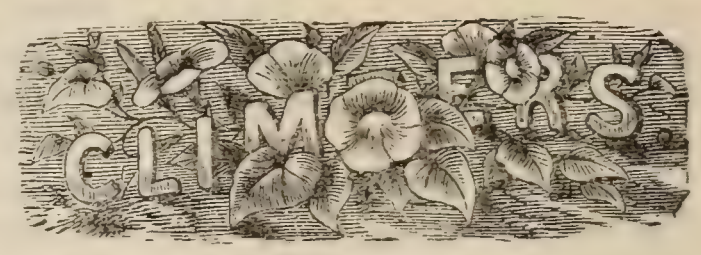
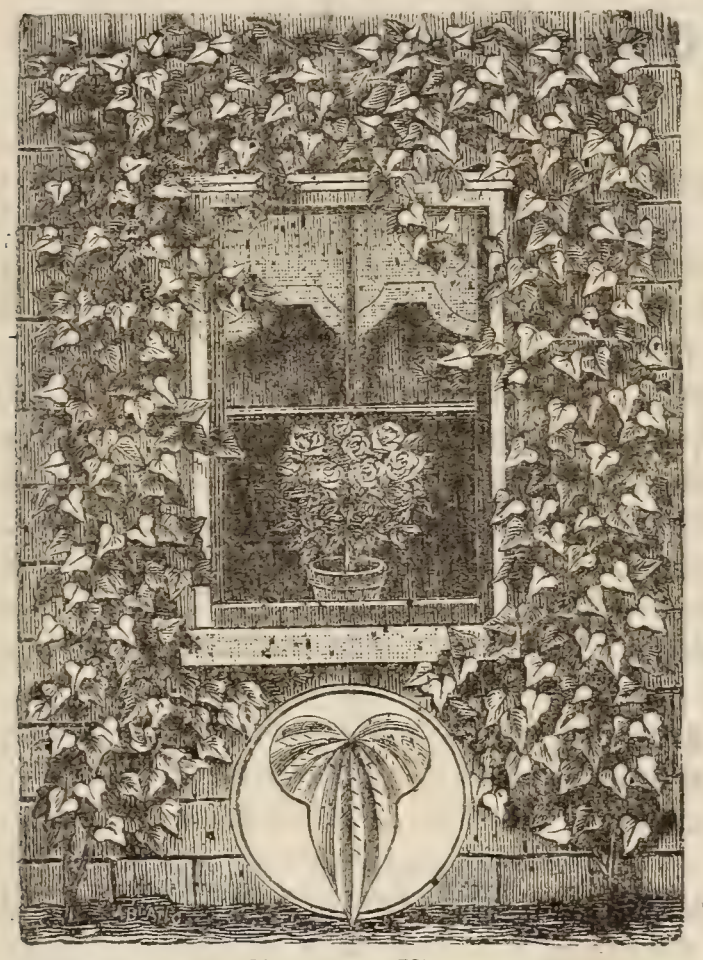
MIDSUMMER DREAM COLLECTION.

We wish to call the special attention of all who have flower gardens to our **Midsummer Dream Collection of Flower Seeds** for $1.00. With it, you can enjoy a complete and most beautiful flower garden this summer. This assortment is unrivalled by any that has ever been sent out for the money; and we have given the greatest possible value, as we wish to put out ten thousand Mattabessett Seed Collections this season, as our introduction to new customers who have never tried Fred. P. Burr & Co.'s Flower Seeds.



The following vines that grow rapidly from seeds, and blossom the same season, will be found in our Flower Seed List: Canary Bird Vine, Coccinea Indica, Cypress Vine, Dolichos, or Hyacinth Bean, Morning Glory, Imperial Japanese Morning Glory, Nasturtium, Thunbergia, etc.



Cinnamon Vine.

VINES FROM BULBS.

BEAUTIFUL CINNAMON VINE.

The Cinnamon Vine is one of the most charming of climbers, and will quickly cover an arbor, window or veranda, with a great profusion of vines and sweet-scented flowers, making it a perfect bower of beauty. The vine is perfectly hardy and once planted will grow for many years—and be a source of constant delight to the possessor. There is nothing that will give the home a more homelike and cosy appearance, and be a surer index of refinement and culture, than Beautiful Vines twining about the porch and trellises.

We will mail three nice roots or tubers for 30 cents; six for 50 cents; twelve for $1.00; 100 for $5.00. No order filled for less than three roots.

MADEIRA VINE.

The Madeira Vine, or "Climbing Mignonette," is a very rapid growing vine, and with its thick, glossy leaves makes a grateful shade. Its fine white blossoms, on their long stems, are very fragrant, and cover the vines through the last half of the summer. Each, 5 cents; dozen, 50 cents.

Cinnamon Vine Roots.

Summer Flowering Bulbs.

Auratum Lily.

LILIES.

Lilium Auratum, the Golden Banded Lily; the most magnificent of all lilies. Our stock is fine and sound, imported from Japan. Plant the bulbs in rich, light soil, at least eight inches deep, and in a shaded situation.

CULTURE IN POTS.

An eight or ten-inch pot should be used, and the bulb planted about two inches beneath the surface. Keep in the shade, and water sparingly until it begins to shoot up. A well grown Golden Branded Lily in a pot is beautiful beyond description for decorating the house, church, hall, or anywhere. Large bulbs, 25 cents each; five for $1.00; twelve for $2.25, by mail.

Lilium Speciosum Roseum. White, spotted with rose, very fragrant. 20 cents each; $2.00 dozen.

Lilium Speciosum Album. Pure satiny white, very fragrant. 25 cents each; $2.50 dozen.

Tigrida.

TIGRIDIA.

PEACOCK OR SHELL FLOWER.

Elegant Summer flowering bulbs, not in common use. But for their cheapness seedsmen would draw more attention to their great beauty. They belong among our "floral wonders."

Conchiflora, yellow, spotted crimson. 5 cents each; 6 for 25 cents.

Grandiflora, bright crimson, spotted yellow. 5 cents each; 6 for 25 cents.

Grandiflora Alba, white, spotted crimson. 8 cents each; 12 for 75 cents.

Six bulbs, two of each color, 30 cents, by mail.

Be Free to write us for any information not found in this Catalogue on a separate sheet of paper from your order. Please show this Catalogue to your friends. We will be glad to send a copy **free**, to any of your friends, in this or any other country, likely to want seeds. In return, we ask you to **speak a good word for us.** An order this season, no matter how small, secures our Catalogue for next, as soon as issued.

Summer Flowering Bulbs.

TUBEROUS BEGONIA.
Single.

The Tuberous Begonia is one of the best Summering Flowering Bulbs; unrivaled both for bedding and growing in pots. No flowers surpass it in brilliancy, richness and variety. Our bulbs are two years old, sound and well cured. While the demand for them is increasing every year, they are not yet grown to the extent that their great usefulness merits. As easy to care for as geraniums.

Crimson and Scarlet shades, by mail, 15c. each; $1.25 dozen.

Pink and Salmon shades, by mail, 15c. each; $1.25 dozen.

White, and White with tints, by mail, 15c. each; $1.50 dozen.

Yellow, light and dark, by mail, 15c. each; $2.00 dozen.

Mixed, fine bulbs, by mail, 10c. each; $1.00 dozen.

Tuberous Begonia.

Caladium Esculentum.

CALADIUM ESCULENTUM.
Elephant's Ear.

A grand tropical foliage plant for bedding and for pots. With its immense shield-shaped leaves of soft green, it forms an imposing decoration for the lawn and for ornamental groups. It requires plenty of water.

Large bulbs, 25 cents each; $2.50 per dozen.

Fairy Lily, Pink, (Zephyranthes). A fine bulb for Summer blooming, having an exquisite clear pink, lily-like flower on a twelve-inch stem; equally good for bedding, and growing in clusters in boxes and pots. Each, 5 cents; dozen, 40 cents.

Summer Flowering Bulbs.

GLADIOLUS.

Nothing in Flora's Kingdom is more easy of culture than the Gladiolus; it will thrive in any soil, from clay to pure sand. Its colors are so varied and blended that no other flower approaches it in this respect. If the spikes are cut when the first blossom opens, and put in water, they will last about two weeks. Plant from April to July. Our Mattabessett Gladioli are the cream and selection of several years' crops of seedlings; every common one has been culled out; *We guarantee them to contain no cheap red sorts.* By mail, each 5 cts.; dozen, 40 cts.; by express, per hundred, $2.00.

Gladiolus.

Tube Rose.

TUBE ROSE.

Dwarf Double Pearl.

The finest strain of double Tube Rose. The flowers are very double and waxy white, the spikes very heavy, while the stalk is not over two feet high, and bears from two to three dozen blossoms. The bulbs should not be planted until the ground is warm—about May 1—but can be started earlier in pots or boxes. The Tube Rose needs a rich, warm bed and plenty of water.

Price of selected bulbs, 5 cents each; 40 cents per dozen, by mail; $2.00 per hundred by express.

Your Mixed Gladioli are now blossoming in gladness. They are the finest we have ever grown, and every one that sees them asks where we obtained the bulbs. We shall sell a great many more next year. Yours truly,

C. T. PRATT & SON, Florists.

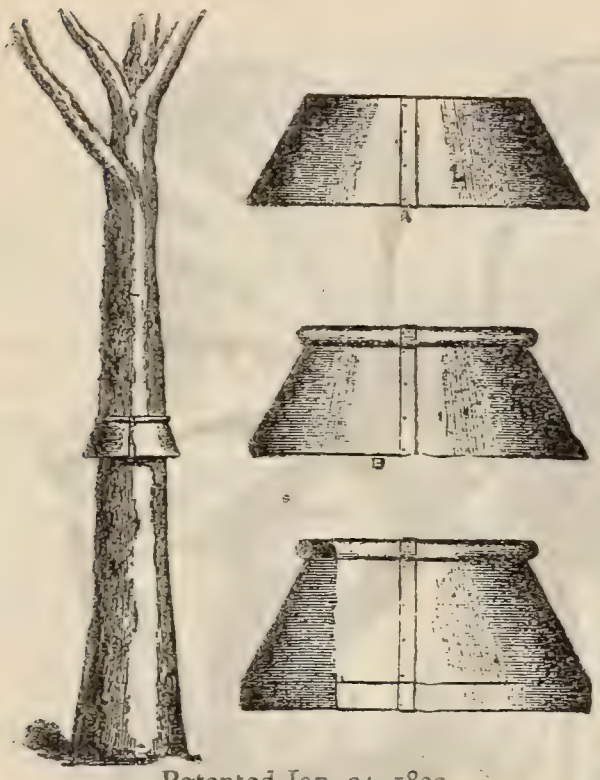
The Gladioli, Tuberous Begonia and Pearl Tuberose Bulbs bought of you this Spring were extra. Every one bloomed and every one a gem. The Flower Seeds gave perfect satisfaction.

S. D. CHAMBERLIN.

PROTECT YOUR

TREES AND FRUIT

From the Ravages of Insects with the



Patented Jan. 24, 1893.

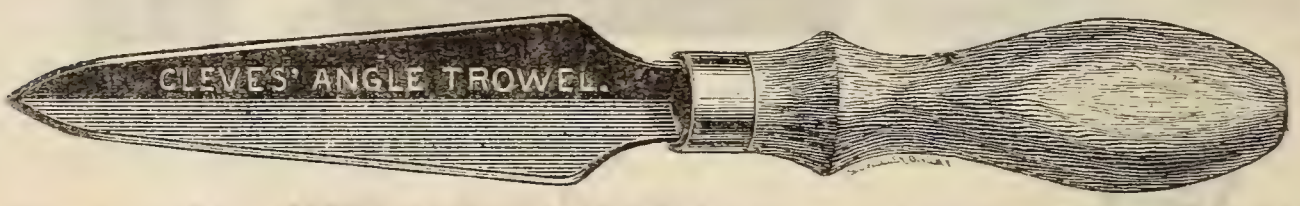
Andover Tree Protectors.

The attention of owners of fruit and shade trees is especially called to the durability of the **Andover Tree Protectors.** They will not rust, rot, nor lose shape, can be taken off and replaced without injury, and are so cheap that no fruit-grower can afford to be without them. *The Protectors will expand with the growth of young trees and cause no injury to them.* Protectors should be removed in the Fall and placed away (preferably in the cellar) until Spring. They are made in twelve sizes, which will fit any tree from 1½ in. to 18 in. diameter, and cost from 10c. to 50c. as follows:

PRICE LIST.

1½ to 2½	in.	diameter	10 cts.
3 and 4	"	"	20 cts.
5 and 6	"	"	25 cts.
7, 8 and 9	"	"	30 cts.
11	"	"	40 cts.
15 and 18	"	"	50 cts.

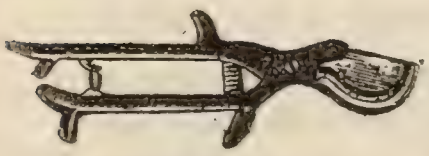
TROWELS.



Cleve's Angel Trowel.—A weed digger and transplanter. This handy Trowel was originally intended for digging weeds from the lawn, but has found great favor among florists and amateurs for transplanting. Each 20 cents; by mail, in safety mailing tubes, 25 cents.

Floral Garden Trowel.—Polished steel blade 6 inches long and 1⅝ inches wide. Hard-wood handle, malleable shank, fastened to blade with two rivets, brass ferrule. Each 20 cents; by mail, 25 cents. Garden Trowels, various styles, 10 cents, 15 cents, and 20 cents each.

Excelsior Hand Weeder.—Useful for stirring soil in hot beds, weeding seed beds, etc. Indispensable in every flower garden. 20 cents each; by mail, 25 cents.



Pruning Shears, 50c.

Pruning Shears.—Steel clip, two inches long, good spring, joined with screw and nut. A superior article, strong and durable. 50 cents each; by mail, 60 cents.

LEGGETT'S

FUNGIROID

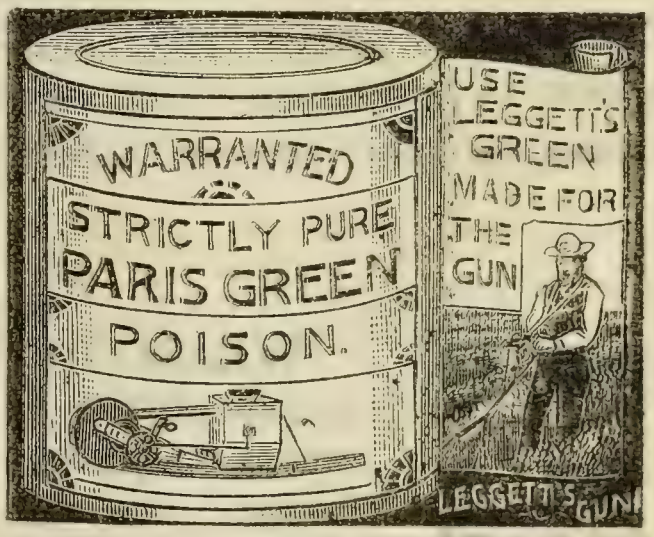
TRADE MARK.

Bordeaux Mixture is a famous fungicide, and it is a great convenience to be able to get it in a dry form, especially when wanted in only a small quantity, as making it from formula entails considerable trouble. Bordeaux Mixture prevents mildew on grapes, fruits and vegetables, rotting of tomatoes, potatoes, and all diseases of a fungus character, apple scab and mildew, pear leaf blight, plum fruit rot, cherry, gooseberry, strawberry and celery blight.

To Kill Insects and Prevent Blight in One Operation.

Mix one-half pound of Paris Green to one pound of Fungiroid and apply to the acre; mixing with flour or lime is not necessary. Fungiroid may be used in water in the usual way, or applied dry, with a powder gun or bellows. Price, in pound boxes, 15 cents; if by mail, add 15 cents a pound for postage.

Paris Green is indispensable for use on every garden or farm in destroying worms, caterpillars, bugs and slugs. Per pound, 25 cents. For large lots, apply for special quotations. To use dry—thoroughly mix one pound Pure Paris Green with 100 pounds fine plaster or flour. To use in water—mix one pound green to 200 or 300 gallons water.



Hellebore—Less poisonous than Paris Green, and much used on currants, rose bushes, etc.; can be used dry, mixed with flour, lime or plaster, and dusted on the foliage when it is wet; also, sprinkled on with water. Mix one ounce Hellebore with about three gallons water. Price, 25 cents per pound; by mail, add 15 cents for postage.

PERSIAN INSECT POWDER.

Not poisonous, and very effective for killing flies, worms, fleas, aphis, etc. Per pound, 40 cents; by mail, per pound, 55 cents.

FLOWERS OF SULPHUR.

Much used by florists and growers for the cure and prevention of mildew on roses, etc. Per pound, 10 cents; by mail, per pound, 25 cents.

BORDEAUX MIXTURE—Lion Brand.

Scientifically prepared, and ready for immediate use, by simply adding water. One difficulty in preparing Fungicides by non-scientific users, is their inability to mix them properly. The Lion Brand Bordeaux Mixture is put up in patent screw-top tins. Quart size, 40 cents; gallon size, $1.00.

TYRIAN PLANT SPRINKLERS (New).

These are very handy for house-plants, as you can water them very quickly, and cleanse the leaves without soiling anything near by. It is a close imitation of nature's own watering—*just like rain*. The neck, as will be seen by the illustration, is bent, to enable one to cleanse the under side of the leaves. Price, per express, 60 cents; per mail, 70 cents.

Whale Oil Soap—Excellent as a wash for trees and plants affected by insects, and for smearing around tree trunks to prevent the worms from crawling up into the foliage; also used for driving fleas from dogs, etc. Per pound, 15 cents; by mail, per pound, 30 cents.

The Standard Paris Green Duster--Lighter, with fewer parts, and more efficient than any other Paris Green Gun. The Standard weighs four pounds. The reservoir holds one pound of pure Paris green. A waist strap is furnished, which holds it in position. With the right hand the fan is revolved, which blows the green out at end of gun. The quantity can be regulated by means of a thumb-screw, so that one pound can be dusted over one acre of potatoes. The Standard is made of galvanized iron and steel shafts, and is easily operated. A twenty-inch Extension Tube and Strap furnished with each machine. Price, complete, by express, $5.00.

Triplex Horse and Cattle Food, per 12 lb. bag, 75 cents.
Send stamp for "Poultry Keeping."

SHEEP MANURE.

The best natural fertilizer for plants, the most convenient to use, and the quickest to act. It quickly makes the richest liquid manure, and the safest to apply to plants. Extensively used by florists.

Our Mattabessett Dry Sheep Manure is very economical if purchased by the pound, and being very dry and fine, is not unpleasant to handle.

For potting soil, thoroughly mix one part sheep manure with six parts earth. Sheep manure, 10 lb. bag, 50c.; 100 lb., $3.25.

BULBS FOR FALL PLANTING.

We import, direct from the best Holland growers, a variety of **Select Dutch Flowering Bulbs.** *These Bulbs can be obtained only from September to December.* Our price list of Fall Bulbs is issued in September, and mailed to customers.

BULB CULTURE.—We furnish full Culture Directions with each variety sold. Use our fine bulbs, follow directions and success is certain.

FRED. P. BURR & CO., 114 Main St., Middletown, Ct.

POULTRY FEEDS.

GRAIN AND FEED.

Meal, Corn, Oats, Provender, Rye Feed, Fine Feed, Middlings, Cotton Seed Meal, Gluten Meal, Wheat Bran, Linseed Meal, Hay, Mineral Salt in lumps, Hay Salt, Etc., wholesale and retail. Price List and samples mailed on application. Baled Hay, Straw and Peat Moss.

BIRD SEED IN BULK.

CANARY, RAPE, GOLDEN MILLET, HEMP, SUNFLOWER, UNHULLED RICE, ETC.

Most of the sickness among cage birds is caused by feeding unsound seed Bird seed that has been kept in musty basement storage, or near volatile oil, drugs, or chemicals, is totally unfit for bird food. Our Mattabessett Bird Seed is kept in a clean warehouse, with nothing but seeds and grains. We handle the best quality only, and thoroughly reclean it in our fanning mill. Lowest price quoted for any quantity; also prices quoted for seed in original bags—as imported—before being recleaned.

BIRD SEED IN PACKAGES.

The *Mattabessett Canary Seed* is put up by ourselves in pound boxes, from Selected Fresh Seed. It contains Canary, German Rape and Millet, in proper proportions, and a separate package of Hemp for an occasional treat. It is far superior to much of the seed sold in boxes, and is the same as we sell in bulk. Your druggists and grocer can supply it, or we will quote prices on application.
